The Invitation

WE are again happy to extend a cordial invitation to those interested in Shorthorn Cattle to be present at our Fifth Annual Sale. It seems commonplace to again say that we believe this lot is the best we have ever drafted, however, we think this correct and they represent the type that we have been striving to produce, and should produce the kind of beef cattle the market now demands.

That they will breed on the desirable characteristics has been pretty clearly demonstrated in the show rings both here and in Canada this year.

This offering has been carefully selected, are richly bred and contain, in our opinion, a lot of good material for herd leaders, in addition to a number of high quality females, and we are sure they will be pleasing to whoever may secure them.

THOS. E. WILSON.

The TERMS of SALE

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 5 years.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price is to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

7. TERMS: Cash, unless other arrangements are made before sale.

The Climax

In the Get of a Great Sire

It is a recognized fact, with all who have had the opportunity to study the get of Browndale Count at Edellyn, that each season's crop of calves were more uniform and better than the ones which preceded them.

This is unquestionably true of the bull and heifer crop now at Edellyn and a study of them only emphasizes the fact that Edellyn and the breed suffered a severe loss in the untimely death of this great bull.

Visitors to Edellyn on the occasion of this sale will see more real outstanding bulls as well as heifers than might be seen at any time in the history of this great breeding establishment. When it is considered that this will be the last opportunity to secure a son of Browndale Count, the importance of accepting such an opportunity should be apparent to all who realize what an aid a real breeding bull is in Shorthorn cattle breeding. Do not allow it to pass.—Geo. E. Martin of The Shorthorn World.

PERFORMANCE

In the Show Ring

The get of Browndale Count and that of his sons have dominated the largest Canadian shows since 1924.

Note the remarkable showing in five shows for 1928:

The History Making Sire

Browndale Count 1156438

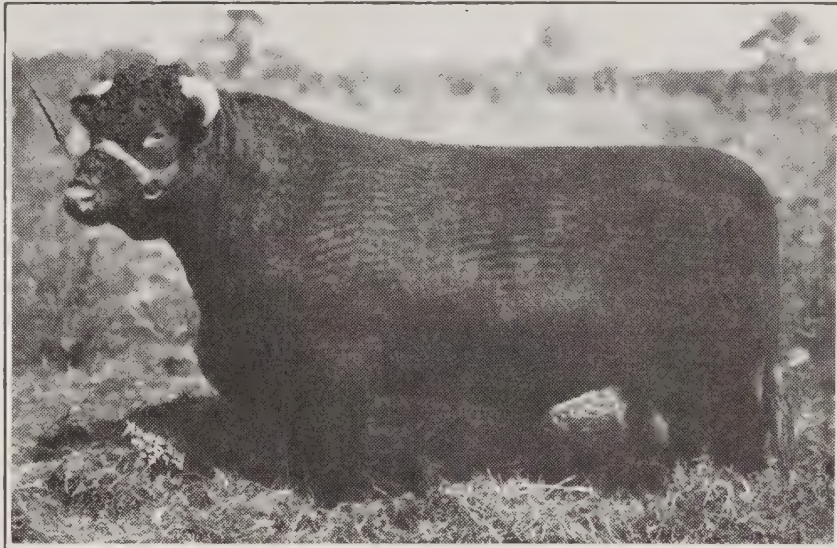

RATED as the Greatest Breeding Bull of all time. His sons won the International Live Stock Grand Championship for 1927 and 1928 and other sons will battle for the same honor in 1929. In the Western Circuit a grandson has not met a defeat in two seasons. Premier honors in the leading shows of Canada have gone to a son for the past two seasons. Browndale Count's sons breed on and win on.

This monument marks the last resting place of one of the
greatest Shorthorn breeding bulls known to
the breed in America.

Browndale Count, sire, Browndale 334947 by Avondale 245144, out of Maxwalton Mina 2d 86601; dam, Morning Blossom 2d 1023473 by Rcan Chief 361556, out of Morning Blossom 711477.

Villager's Marshal, sire, Village Golden 643492 by Village Beau 397715, out of Golden Lady 5th 127174. Dam, Maud 41st 648056 by Royal Seal 648050, out of Maud 30th 648055.

Revolution, sire, Avondale, 245144 by Whitehall Sultan 163573, out of Avalanche 2d v60-655. Dam, Roan Rosebud 12th 59553 by Damon 317068, out of War Queen v52-873E.

Browndale Revolution, dam by Village Marshal. His color is right, so is his head and top. His general levelness is pleasing and he is a promising bull and will make one with plenty of size and substance. You might find one as well bred but that is doubtful.

When this catalog was planned we intended to show here an illustration of BROWNDAL COMING STAR 1557655. This cut has been detained in the newspaper offices longer than we wish to hold the catalog, hence does not appear as originally planned. Suffice to say he is a typical Browndale calf worthy of the splendid Marr Goldie tribe as shown by the tabulation below.

This is another instance where the newspaper offices have retained one of the cuts that we had originally planned to grace this page. Browndale Grand Duke 1580517 is another son of Browndale Count, a roan, that gives every evidence of a real prospect. His grandam Lothian Biddy 1219187 was bred by the Earl of Roseberry and is sired by Wm. Duthie's splendid breeding bull Collynie Grand Duke. He is one of the three great brothers. Read the note below, note what has become of the other two.

The Cows and Heifers

WITH a desire to make the females of this offering just as attractive as are the bulls, we have drawn on the herd for many of its choicest both in young heifers and mature matrons. I know this to be the strongest lot of females yet listed to sell at Edellyn. I doubt very much if a more valuable lot has gone into a sale in years. There isn't an animal in the entire list that I do not heartily recommend to the most exacting buyer and they are guaranteed fully. All that are old enough are bred to one of our battery of herd bulls. I know any judge of Shorthorns will like the bulls and females for they are the Edellyn kind and of the stamp that have contributed so many winners to the shows of recent years. Use a Browndale and win.
